Thank you, Mr. [Oliver] for showing us the library today.

I learned a lot about my favorite subject: birds.

I learned that there are birds that live in cactuses and trees like their homes.

I learned that people can do this too.

I learned that birds take their homes with them places, but people usually don't.

I learned that birds can stay outside at night, but people usually don't.

I learned that \_\_\_\_\_

Thank you for helping me learn when I visited the library today!
